Building and writing a competitive Marie Skłodowska-Curie Innovative Training Network (ITN) project proposal

Module 6
Evaluation Game

The objective is to practice what has been explained during day 1

Rules of the game

- Attendants divided into small team working on the same (bottom-up) project idea

- Limited time to prepare/defend a mini-project (ppt slides and designated presenter).

- Stick to predefined presentation template (15 min maximum/presentation).

- No questions allowed during presentation.

- When the presentation ends the team leaves the room.

- The rest act as "evaluators" (course teacher acts as "nasty evaluator").

- Scoring is given according to presentation template.

- Presenting team comes back and listens to score.

Mini-project requirements

- Project idea.

- 3 to 4 organizations as consortium (real or invented).

- Maximum 4 ESRs.

- Time 2 and ½ h to prepare the presentation.

TIP: try to be creative using tables diagrams, drawings. etc

Mini-project presentation template

Excellence
(max. 1 slide min font 16)

❑ What is your R&D&I project idea about?

❑ What is your main objective?

❑ What are your secondary objectives?

❑ Who is your consortium?

Impact
(max. 2 slides min font 16)

❑ Why is your project value chain?

❑ What is its industrial value?

❑ What is its societal value?

❑ How the consortium will create and deliver impact (i.e. dissemination and exploitation)?

Pablo Tello, KT CERN

Training
(max. 2 slides min font 16)

❑ What are your project R&D&I training activities?

❑ What are your project <u>non</u> R&D&I training activities?

❑ What are the ESRs individual projects (description and main objective)?

❑ How is the secondment plan done?

Implementation
(max. 2 slides min font 16)

❑ What is your project WP structure? Define leaders, participants and objectives.

❑ What is your project management structure?

❑ How the ESRs individual projects related to the WPs?
